U.E.A. READY FOR BIG DRIVE

Greenfield Confident that Alberta Organization will make Record Showing.

Herbert Greenfield, Westlock Vice-President of U.E.A., and chairman of the U.E.A. organization committee, advises that everything is in readiness for the big drive during the first week in November.

Most of the preliminary work has been done and it is expected that on November 1st and November 2nd upwards of 3000 enthusiastic U.E.A. supporters will be in the field visiting their memberships in the organization. The organization work in both Manitoba and Saskatchewan has been progressing favorably and reports from "district captains" indicate that the morning of November 1st will see upwards of ten thousand active workers beginning their canvases in all the rural districts in the three provinces.

In this drive an endeavor will be made to have a representative of the former association visit every resident farmer between the City of Winnipeg and the Rocky Mountains. The head of every household will be asked to contribute the sum of \$6.00—no more no less. This amount will pay for a year's membership in the association, a year's subscription to the official organ and leave \$2.00 to be used by the central and district boards for organization purposes.

Associated with Mr. Greenfield on the Alberta Organization Committee are L. M. Goetz of Red Deer and Sam Sears of Nanton. All are members of Board of Directors of the U.E.A. The committee has fixed an objective of 50,000 U.E.A. members for the year 1921 and all are confident that this figure will be reached.

Climax

Henry Collett and Merle Martin brother and son of Mrs. W. A. Martin, are here visiting from Moose Jaw, Wis. This is Mr. Collett's first visit to Alberta, and he is much pleased with what he has seen so far. They will stay here for about three weeks.

W. A. Martin is in Calgary visitor during the holidays.

Mr. and Mrs. Will Martin and daughter, Charlotte, left last week for Eugene, Oregon, where they will sojourn during the winter months.

The Martin relatives of Mr. and Mrs. W. H. Strach journeyed down to their place Sunday to help swell the numbers at a family reunion held there. That is a jolly time and abundant reports filled the bill of fare goes without saying, all returning home at a late hour.

Climax saw its usual run of business on Blackfooting Day. Several apartments were cut from Ponoka, while our best singer, played on small port in the same.

Robert Owens spent last week in Hoboken, returning home Saturday.

Farmers are rounding up and bringing home their cattle these days. There are a few missing ones reported.

British Miners On Strike

London, Oct. 19.—The strike of coal miners in the country seems complete, for although the miners in some districts appear to have entered the strike in a half-hearted manner, there is no sign of any break in the ranks of the men, and consequently dislocation of the country's industries is becoming widespread.

Nor is there indication of any mediation growing out of Monday's various conferences, all parties apparently awaiting the resumption of the discussion of the strike will displace the Irish home rule bill, which was the first scheduled business before the house of commons.

Water Glen

Thursday is finished in Water Glen, and several farms are awaiting their grain to be hauled.

Leonard Carlson left last week to spend a few days in Calgary, where his father will meet him and go from there to Washington where Mr. Carlson has bought a home.

Our school did not start until the last of September on account of being unable to get a teacher. Mrs. Preston Welch has charge now with an efficient staff of fifteen.

L. H. Shattuck is away on a trip to B.C. He is driving Mr. Erik's car through to his new home, near Vancouver.

Roy Geo. of Toronto, who represents the Spillforth Electric Co., visited his aunt, Mrs. Bole, last Sunday. He was accompanied by Mr. and Mrs. A. Holton and Walter Geo. and son, of Ponoka.

Mrs. Hindorf leaves in a short time to resume her studies at Girard College.

Oscar Peterson, who is attending the Carnegie Normal, spent Thanksgiving at home.

Emil Dufes quite recently visited in a new Ford.

Arthur Sykes, of Wilkie, Sask., paid his Water Glen friends a brief visit last week. Arthur is making good in Saskatchewan, but says he enjoys getting back to Water Glen.

Miss Nellie Welch most Thanksgiving with the home folk.

Miss Mamie Peterson has been visiting for some time with her sister at Melkior.

Any one desiring home baked bread, which is always ready, Brown bread made as you order it, pies, cakes, cookies, doughnuts, mince pies and tins made to order. Call and place your order with

RURAL SCHOOL SPORTS

The following is a statement of the winners among the rural school pupils. Owing to the large number of events these schools were unable to finish on October 1st, but did so on October 9.

The winner of the shield was Hazel Hill school with a total of 230 points. The nearest competitor was Magic with a total of 177 points.

Stanley H. Smith, of the Ferry Glen school district, attending at Hazel Hill, won the gold medal with 27 points. Edward Street, of Arbor Park, won the bronze medal with a total of 32 points. Last year Magic won the shield and Eastside carried off the two medals. Owing to the want of a teacher some of the rural schools were unable to see part.

WEDDINGS

FIDLER-ADAMS

A quiet wedding took place in the Union Church on Saturday, Oct. 17, at 2 p.m., when Miss Edith Adams was united in matrimony to Mr. Archibald Howard Fidler. Both young people belonged to the Cloustonville district, the groom having served four years overseas. The Thanksgiving dinner in the church was organized with the occasion. Rev. C. Bishop performed the ceremony, and Mr. and Mrs. G. L. Laycock acted as witnesses. The happy couple left on the afternoon train for Calgary for a short honeymoon.

CARTER-GREY

At Knox Presbyterian church, Edmonton, on Thursday, Oct. 14, the marriage of Miss Bella Savage and Mr. Russell Carter, of Regina, was solemnized by Rev. Mr. McGowan. The bride entered the church to the strains of the wedding march, played by Miss Helen Fowler, leaning on the arm of her mother, who gave her in marriage.

She wore a gown of white satin and georgette trimmed with pearl beading, and a tulle veil arranged in crown fashion and caught with pearls. She carried a beautiful shower bouquet of white lilies, maiden hair fern and cream primula tied with white satin streamers.

The bridesmaid was Miss Sylvia Hart, who wore a lavender and gold shot tulle dress, a blue picture hat with a yellow plume and carried a bouquet of yellow lilies tied with yellow tulle streamers.

The bridegroom was supported by Mr. Harry Stuart, at last man, during the signing of the register. Miss Meta Hilda sang "Because". After the ceremony an informal reception was held at the home of Mrs. George Martin, where a buffet supper was served.

Many beautiful gifts were received by the happy couple, who left later for a short honeymoon to be spent in Calgary and Saskatchewan. They will make their home in Regina.

Dr. Badi will not be in his office on Monday and Tuesday. He will be in attendance upon a special clinic on exodontia and oral surgery at Edmonton.

An enjoyable informal dance and box social was given at the hospital on Wednesday evening, October 13th.

Thanksgiving was quietly observed in town, the majority of the citizens being out of town, sharing the big dinner with their former friends. The day was nice and warm and many went hunting.

Messrs. Rufus Headley, Jack Richmond and Chris. Schmidt had very fair success in their goose hunt. They were out east of Stettin.

Mr. and Mrs. Oscar Backman, of North Dakota, have been visiting for a time with the former's sister, Mrs. John Glynn.

Jas. W. Hinkley took second prize in the Shropshire class with a very fine exhibit at the Lacombe sheep sale last week. Jas. D. Stewart was an extensive purchaser at the sale.

A trench mortar has been shipped to Ponoka as a war trophy. No doubt the city dads will have this one placed in some conspicuous part of the town.

Mrs. Posey is taking charge of the Ladies' Rest Room.

Every man and woman who has a vote ought to vote on Monday.

The Royal Hotel is fast regaining its old reputation under the guidance of Mr. and Mrs. J. J. Few. That we have a "white" hotel in town must be a source of comfort to the citizens and travelling public alike.

Chicken pie supper and dance in the Ferrybank Hall on Wednesday, October 27. Supper to commence at seven p.m. Proceeds in behalf of Ponoka Rest Room.

Something in the nature of a bee was held at the Rest Room on Tuesday. There was a large attendance of farmers and their wives. Judging by the amount of conversation that went on, several of the men must have worked fairly well. Doc. Scott was master of ceremonies, and to the uninitiated eye the work is worthy of commendation.

There will be a concert and basket social held in the lodge rooms on Tuesday evening, Oct. 26th, under the auspices of the L.O.B.A. and Orange Lodge, No. 1909. Good time, and everybody welcome.

Buckhorn

Buckhorn people were greatly shocked last Tuesday, October 12, when our respected neighbor, August Frehe, passed to the great beyond. The tongue of his wagon came down while he was returning from Glenheath, and he was thrown out and seriously hurt. Dr. Campbell, of Ponoka, and Dr. Hines, of Lacombe, attended the injured man, but he was beyond human aid. The deepest sympathy of the whole neighborhood goes out to the bereaved wife and family.

Another accident occurred in our midst when the second youngest son of O. P. Mickey broke his ankle while riding a pig.

Hurray, boys! that good time is getting dangerously near, and we hope our Halloween social, Oct. 29th, will be a grand success. It is up to you, boys and girls, to make these diabolical and thrilling, and be in the ghost line when the bugle calls for our opening piece. Friends, don't forget Friday, October 29th.
